Spencer & Aleksa: These up and cumming porn supersluts embrace their Sapphic side on page 42.

NO. 197
JANUARY 2012

We are kicking off our publishing year with a bang — actually lots of bangs. This latest issue of *Club* follows through with our resolution to bring you nothing short of the most incredible girls in the most insane sexual situations.

We have sexy solo sets on beautiful babes like Carol (who opens up the mag) and amazing newcummer Kiera Winters, who can melt ice by just being in the same room.

Speaking of sizzling, we count down the hottest Latina ladies currently spreading their legs for cock and more. And that brings us to our feature interview this month, Mari Possa. While she didn't make our list, it's only because she just recently made a cumback and we couldn't have been happier or luckier than to sit down with the sexy Tushy Girl.

One treat we received was being invited onto the set of Vivid's latest parody epic, *The Dark Knight XXX*. Featuring the infamous superhero and a cast of villians and vixens, this looks like another true cockbuster from Axel Braun and friends.

There's lots more for you. Check out the reviews on the latest fuck flicks over at the "In The Slot" section, the latest news from the porn world in "Upfront," and tales of sex and seduction in "Private Parts."

Our layouts have it all! Whether you're into Sapphic sex starring hotties such as Spencer Scott and Aleksa Nicole, or Pearl Diamond and Allison Star, or good old fashioned boy on girl poundings as showcased by copulating couples like Gina and Sunny or Denisa and Chuck, there's certainly something here for everyone. So sit back, relax and let the Club Girls help you kick off our 2013 the right way!

This filthy Euro slut is aching for a carnal cleaning…

"No matter how many times I spew my sauce, my snatch just can't get enough. I need more cock—plain and simple," Carol moans, pouring the warm water over her mountainous mounds…

"My pussy is just craving a lickin' and a promise," she continues—her digits diving into her velvety hole, shaking from the waving rumble in her belly. ▶

"See? Right there," she pistons, glossing her fingers with her girl goo, while pinching her pert nipples. "No matter what—I'm always happiest when I'm dirty." ♣

Houston Returns To Raunch

Gangbang Queen Back With A Bang...

Gonzo superstar, Houston, best known for her record-breaking gangbangs, has returned to porn after a 10-year hiatus to perform in a hardcore sex scene for Brazzers.com.

Titled *Sex Games*, the scene stars Houston as a bored trophy wife who sets her sights on one of her husband's employees (Keiran Lee) during another of his boring business parties.

"I definitely wanted to make sure that if I was to come back and perform, it would be with the right company, and the right actor," Houston said. "I want to thank Keiran and Brazzers for this opportunity. There is potential to do more work in the future, I am looking at the opportunities, and will decide where I go from here. It was awesome to do what I do best!"

Houston broke into the adult industry in 1995 and quickly built a dedicated fan base by churning out performances in jaw-dropping, extreme hardcore productions, including the 1999 career-making Metro release, *World's Biggest Gang Bang 3: The Houston 620*. Her antics soon caught the attention of shock jock, Howard Stern, who frequently featured Houston on his show. The appearances proved to be almost as popular as her films due to stunts that found her auctioning off her labia and attending prom with an 18-year-old high school student. She also recently published her autobiography, *Houston: Pretty Enough, The Story of the Gang Bang Queen*. ♣

EXXXOTICA Coming to Atlantic City

Nation's Largest Sex Show Set To Bring X-World Back To America's Playground...

EXXXOTICA is pleased to announce a brand new location for 2013 — Atlantic City, New Jersey at the Trump Taj Mahal Casino Hotel. EXXXOTICA Atlantic City will be taking place April 19-21, 2013, and with the newest venue set, so are the goals of bringing more stars, bigger stage acts and introducing the brand-new EXXOTICA Fan Choice Awards, all in the original "Sin City."

"Atlantic City was one of the first cities we looked at when we started EXXXOTICA, and we are proud that our 17th show will be there," said J. Handy, director of EXXXOTICA. "Many of our exhibitors and attendees based around there have asked us to bring a show to that area since they miss the old East Coast Video Shows from the 1990's, and as it is with everything we do, we're looking to do this bigger and better than it's ever been done before with many of the trademark features of all EXXXOTICA Expos, plus a few new and exciting events."

Record-setting shows are already in the books for 2012 in Edison, NJ, Miami Beach and Chicago, and expectations for EXXXOTICA's Atlantic City debut couldn't be bigger. The consumer expo will take place at the Etess Arena at the world famous Trump Taj Mahal Casino Hotel. Fans can expect a jam-packed entertainment stage, with amazing shows featuring everything from nationally known musical acts to the sexiest burlesque shows and more. Informative and engaging seminars will also be taking place throughout the weekend, as will show features that have made EXXXOTICA the leading expo of its kind such as hundreds of adult's biggest stars and premier companies exhibiting *(www.eXXXoticaExpo.com)*.

Octomom: The House That Porn Built

Tabloid MILF Gets New Home Thanks To XXX...

Octomom, a.k.a. Nadya Suleman, has used the bucks made from her porn movie, and put it to good use—a new house. America's infamous MILF of 14 kids leased a house in Palmdale, California to replace her foreclosed former residence, thanks to money made from her solo sex debut, *Home Alone With Octomom*.

The leased house features five bedrooms, three bathrooms, a three-car garage and a 14,000-square-foot backyard at a reported cost of 2,150 dollars per month.

"It has been the most empowering, liberating thing I have ever done," Suleman told HLN's, Dr. Drew about doing porn. "There is nothing I won't do to take care of my family. I'm not a porn star." Adding, "I had full control and power over my choice. I take full accountability and I'm proud of it."

Suleman first agreed to do the porno to help pay her bills. She went off welfare in March, and had to find a way to make ends meet.

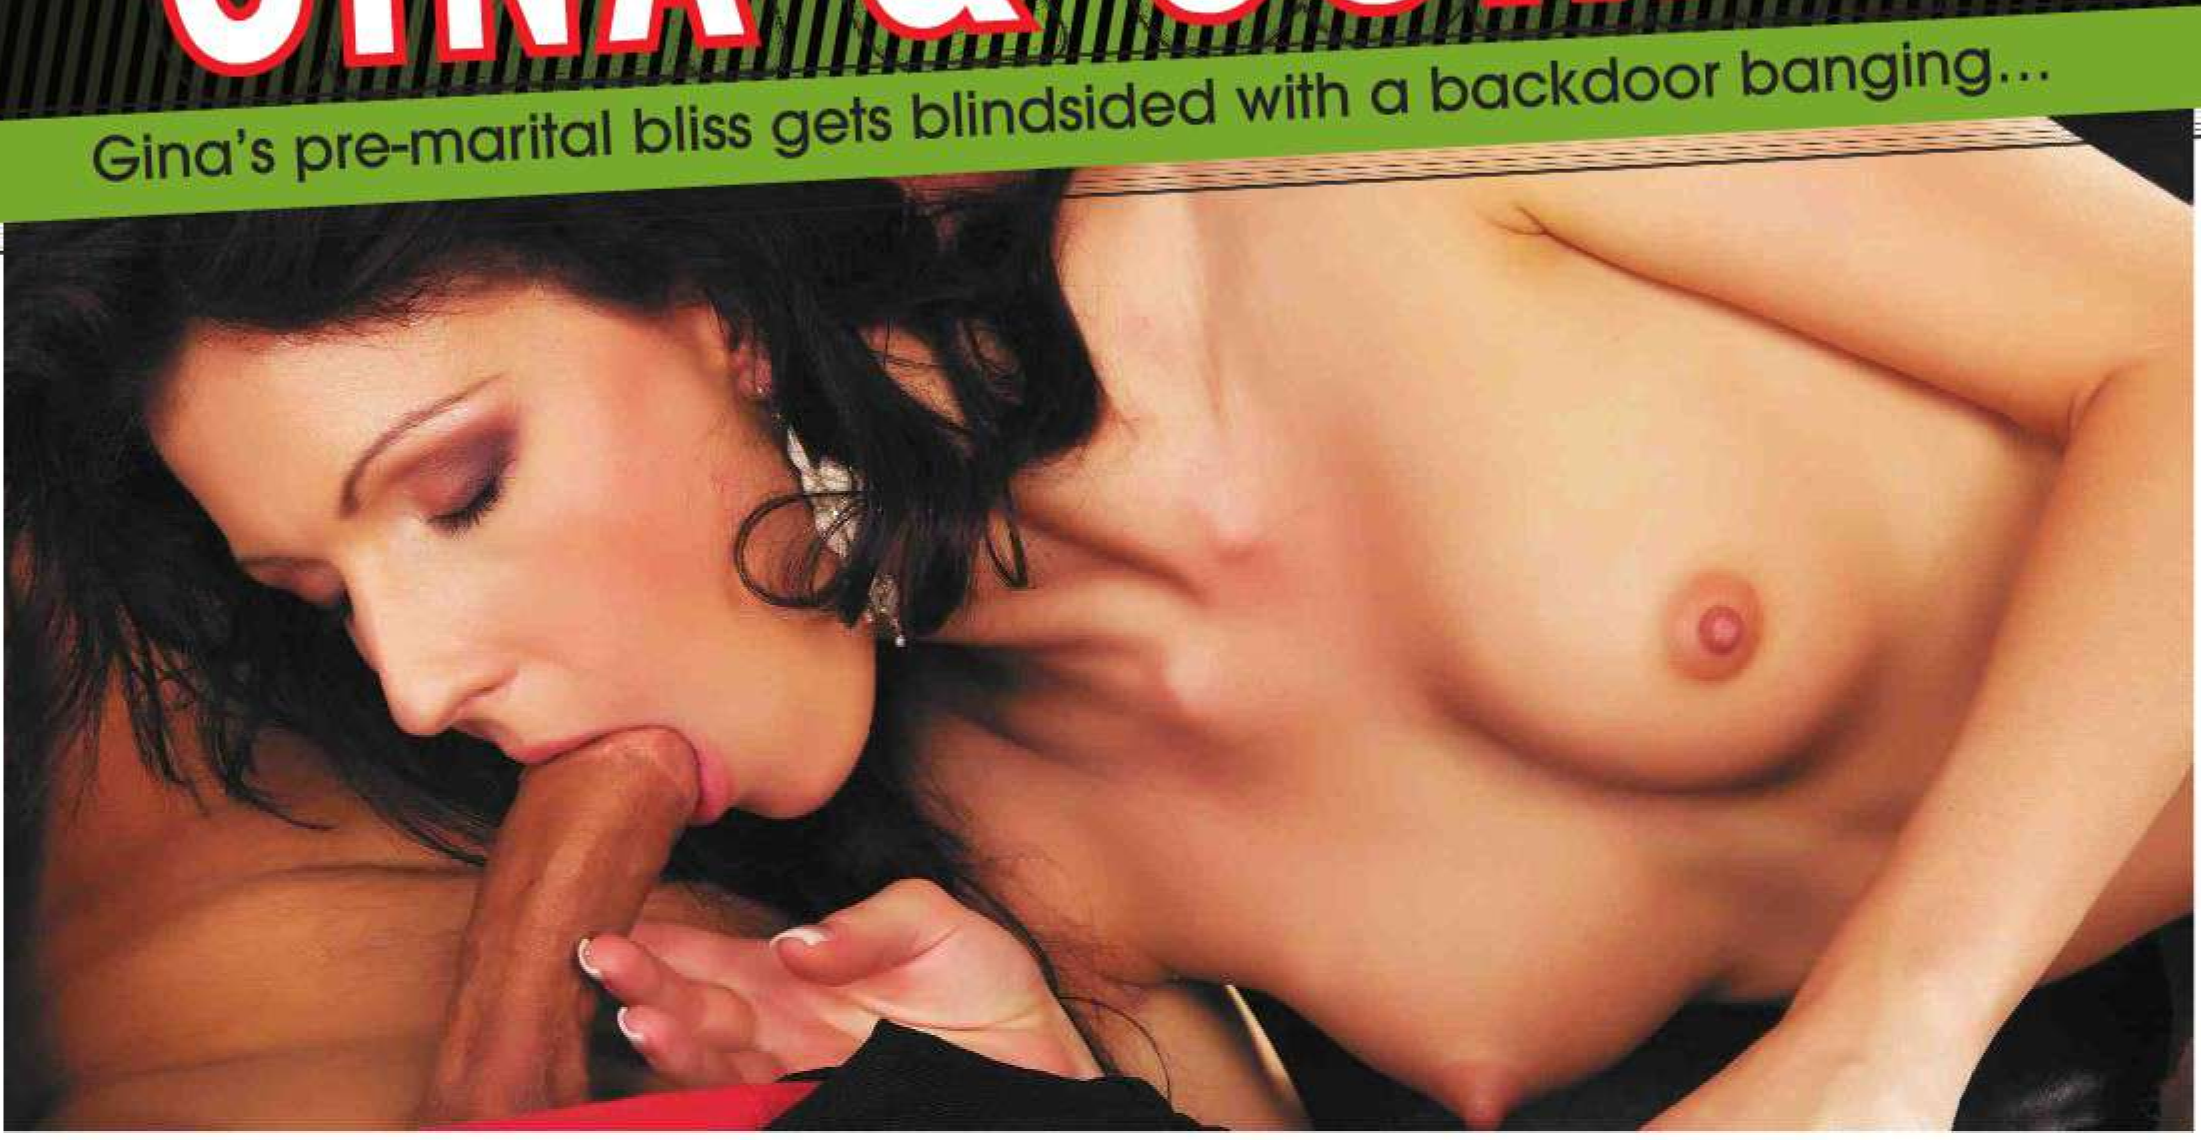
GINA & SUNNY

Gina's pre-marital bliss gets blindsided with a backdoor banging…



29469

"Honey, it's bad luck to see me before the ceremony," Gina says to her man, Sunny…

Pulling his soon-to-be-wife over to him, Sunny unhooks Gina's garters, feeling the gloss flowing down her thighs. With her hands guiding down to Sunny's throbbing mast—she inhales it in her mouth—getting it slick for her soft pussy.

The heft of his hose spurs her even more when he's embedded between her tight walls, but the moment he thrusts inside her pink pucker, she's a goner—spewing her sweet cream all over his full sac.

In a few more pumps, and some gentle taps on her double bubble—Sunny spews his load, and like a good future wife—Gina cleans up her hubby's mess.

Licking the rest of Sunny's jizz from her mouth, Gina musters, "I guess I have a lot to look forward to, don't I?" ♣

Diary of Love

Starring: Presley Hart, Lily LaBeau, Kimberly Kane, Lia Lor, Logan Pierce, Johnny Castle, Richie Calhoun
Directed By: Jim Powers
Available From: Smash Pictures

Presenting a romantic adaptation of *The Notebook*—a movie deemed one of the most amorous motion pictures of all time—director, Jim Powers, delivers a tender revision of the classic. With a stand-up script, talented actors, and plenty of passionate overtones— this project will undoubtedly ignite the flames of love for couples in the mood.

Most impressive here is the undeniable chemistry between Presley Hart and Richie Calhoun—the lead actors of the production. The tale ignites when Richie is lying comatose in a hospital room as his amore, Presley, reads him excerpts from her diary. This leads to a flashback of a joint picnic that leaves their friends, Lily LaBeau and Logan Pierce making love across their picnic blanket. Lost in a lover's embrace—the two lock lips and loins. After loads of kissing, they churn out the most passionate displays when Lily takes the reigns in reverse cowgirl.

Meanwhile, while Presley is away at college, she meets and falls in love with Johnny Castle—a wealthy southern boy from an aristocratic family. Falling into his arms to accept his marriage proposal, Presley shows her affection by blowing his cock and allowing him to feast on her pretty, pink parts. Making great use of the bed, the duo flop around, configuring into one sexual arrangement after another.

32120

After three years passes, Richie gives up on Presley and tempers the sting of his loneliness by bedding two war widows, Kimberly Kane and Lia Lor. Falling into bed with one another, the girls deliver an outstanding double blowjob, and plenty of their seasoned pussies as they allow Richie to arrange them in a myriad of heart pounding positions.

In the end, Richie and Presley find their way back to one another. Underneath a torrential downpour, the lovers collide in a sea of passion. Leading her to the house he built in her honor—the two make love in the movie's most pivotal sexual encounter. That's what we call amore! Rating: ♣♣♣♣

Brooklyn Lee: Nymphomaniac

Starring: Brooklyn Lee, Lou Lou, Linet Stag, Samantha Bentley, Ruth Medina, Jess West, Dirty Dog, Danny D, George Uhl
Directed By: Gazzman
Available From: Harmony

It goes without question that porn star, Brooklyn Lee, is a sexual anomaly. Along the way, she's helped slash the blonde hair, big boob stereotype, and has earned every top award—including the coveted title of "Best New Starlet" at 2011's, AVN Awards. With such esteemed accolades—director, Gazzman, has made her the main attraction for his award wining series that chronicles the sexual fantasies of insatiable nymphomaniacs. Here, they are taken through a gauntlet of sexual perversions and possibilities, and are encouraged to push their sexual boundaries whilst living out their innermost desires.

With incredible tease sessions that begin each sequence—Brooklyn Lee hypnotizes in vinyl lingerie and black heels in the first encounter. Our infatuation is later actualized the moment she takes on Samantha Bentley and Ruth Medina, delivering a raunchy lesbian romp that includes plenty of black leather and moistened muffs.

Next, Linet Stag gets two cocks for the price of one when Dirty Dog shoves his stick up her slit and Danny D excavates a pathway through her anus. As can be expected—Linet churns out an explosive scene and has a way of making DP sex look like poetry in motion.

After a short break, Brooklyn is back in the saddle again. This time, she's mixing middles with Lou Lou and Danny D. Delivering an awesome double blowjob that makes his danglers shine—the girls later arrange themselves in standing doggie, allowing Danny to plop his cock from hole to hole.

As things get a tad rougher, we see Danny D placing his foot against Jess West's head in the next scene. Treating her holes as pistons and pumping her full of lead is merely the beginning of their rough n' tumble ride.

In the end, Brooklyn brings the house down when she takes on Dirty Dog and George Uhl, simultaneously. With loads of action and plenty of heart pounding positions, Brooklyn ensures we've all morphed into *Nymphomaniacs*! Rating: ♣♣♣♣

Me and My Girlfriend, Episode 2

Starring: Capri Anderson, Adrienne Manning, Bree Daniels, Dani Daniels, Destiny Dixon, Jana Jordan, Samantha Saint, Georgia Jones
Directed By: Tammy Sands
Available From: Girlfriends Films

Demonstrating premiere erotica, eight of porn's most beautiful starlets come together in this lipstick lesbian extravaganza. Made even stronger by the inclusion of glossy photosets shot by esteemed photographer, Tammy Sands, this sequel project is enticingly visual and artistic, while still maintaining a hardcore edge. By any unit of measure, the results are nothing short of delicious!

Although every pairing featured is beautiful, the real draw of this production is Capri Anderson and Adrienne Manning. Visually stunning in sexy panty sets—these two are perfectly matched and ready to go. These girls take pleasure in devouring each other with passionate kissing that has saliva streaming from mouth-to-mouth. Most impressive, is the way Capri bends Adrienne over in a languid doggie spread—enjoying both of her succulent holes.

Also quite stirring is watching Kiara Diane tug Jana Jordan—her frisky kitty—along the marble floor with a diamond collar and satin leash. After sultry licks from her milk bowl, Jana swaps the sweet cream into Kiara's mouth. From here, they happily dive into each other's gooey wet spots, tearing each other apart like two alley cats fighting over a chicken bone. Grrr!

Next, Destiny Dixon and Samantha Saint smash their big titties together before Destiny sits on Samantha's face—dangling her cunt above her lips like a carrot. After copious amounts of oral action ensues, Samantha latches onto Destiny's double-d's with a Kung-Fu grip. Once Samantha pulls away from Destiny's breast, the manipulated nipple extends out a full inch longer than the other one!

In the final scene, Dani Daniels busies herself by taking sexy pictures of Bree Daniels and Georgia Jones. Eventually, Dani intertwines herself into the sultry mix, as the girls grow wet and go wild.

Also quite strong are the five additional solo masturbation encounters, presented as "bonus scenes" that have Bree Daniels, Dani Daniels, Destiny Dixon, Jana Jordan, and Kiara Diane rubbing one out! How's that for a good time? Rating: ♣♣♣♣

The Dark Knight XXX: A Porn Parody

Starring: Aiden Ashley, Andy San Dimas, Dani Jensen, Penny Pax, Christy Mack, Derrick Pierce, Clarke Kent, Derrick Pierce, Tom Byron, Brendon Miller, Brian Street Team, Giovanni Francesco
Directed By: Axel Braun
Available From: Vivid Super Heroes XXX

Solidifying himself as the "King of Parodies"—director, Axel Braun, presents another paramount parody that springs to life with tantalizing plot twists and plenty of pizzazz. In this latest offering—Batman/Bruce Wayne (Giovanni Francesco) is an encumbered and spiritually lost superhero, as his reign as Gotham City's caped crusader has taken a toll on his reality. Meanwhile, Joker (Brendon Miller) is running amuck over Gotham's citizens and a new villain, Bane (Derrick Pierce) is introduced.

The story opens in the belly of the Joker's freak show warehouse, whereby Batgirl (Penny Pax) and Commissioner Gordon (Tom Byron) are held as his captives. Powerless against his heinous control, Batgirl begrudgingly gives her holes to him—shining the brightest when taking it up the ass in pile driver. Exciting from start to finish, this is a great way to begin a porno!

31893

Next, while drugged by Poison Ivy's (Dani Jensen) love potion, Nightwing (Brian Street Team) is hanging on her every word. Seducing him with her killer curves, Ivy delivers an impeccable blowjob, followed by plenty of her hairy, red pussy in an enticing standing doggie arrangement that showcases her shapely legs.

Afterwards, Catwoman (Aiden Ashley) pays Bruce Wayne a visit, and is eager to have him don the bat suit once again and combat Bane, a villainous brute who has kidnapped his fiancée, Kathy Kane (Andy San Dimas). Still in need of convincing, Catwoman works her mojo over his dick, slathering his cock and balls with saliva and plenty of her warm pussy milk. Purrfect!

Kidnapped and in need of rescuing, Kathy Kane finds herself under Bane and Catwoman's control. Deciding to split Kathy between them, Bane demands a double dick session from both raven-haired stunners. Falling to the floor, the ladies devour his cock and balls, giving his set a military spit shine that has him breathing heavy through his leather headgear. After multiple orgasms are enjoyed by all, a killer plot twist ignites, delivering and explosive finale! Rating: ♣♣♣♣♣

SPENCER & ALEKSA

These bawdy babes borrow clothes—and each other…

"Here, take this one. This is your color," Aleska says, holding up a pink tank top to her friend, Spencer's heaving tits…

"Yeah, you're right. Pink does look really good on me," Spencer says. "Especially when you're sucking on mine." Before long, Spencer's legs are spread with Aleska's pouty lips going to town on her girl's dripping wet pink. As her fingers spread her petals more, Aleska's tongue lashing gets deeper and louder with every lick, until a gush of Spencer's girl good rains down her throat.

"Mmm…like I said," Spencer repeats, wiping her friend's mouth with her fingers. "Pink is definitely your color." ♣

GOTHAM KNIGHTS

Vivid is at it again with another parody cockbuster. The Dark Knight isn't the only thing rising here as Gotham's baddest try to take over the hardcore porn world...

Solidifying himself as the "King of Parodies"—director, Axel Braun, presents another paramount parody with *The Dark Knight XXX*—a monumental motion picture that lives up to—and greatly exceeds the media hype that preceded the mainstream film. Truly capturing pornographic gold through a riveting storyline, exuberant characters that burst to life on screen, and award worthy sex—this production matches, and in some ways, exceeds its mainstream counterpart by offering tantalizing plot twists and plenty of pizzazz.

In this latest offering, the saga opens with Batman/Bruce Wayne (Giovanni Francisco) trekking through the icy tundra, after having forsaking his former life and his role as Gotham City's heroic vigilante, Batman. Contemplating the decisions he's made, and the lives that have been lost because of his reign—Batman finds himself in the pit of despair. Encumbered, broken, and spiritually lost—there are no lifeboats in sight to help bring our fallen hero back to the light.

Meanwhile, with Batman out of the picture, the crime rate in Gotham City is at an all-time high, with the Joker (Brendon Miller) running

amuck over Gotham's citizens and city officials. Locked in the belly of his freak show warehouse—Joker has Commissioner Gordon (Tom Byron) and Batgirl (Penny Pax) tied and bound with ropes. Taunting both with his sinister plot to destroy Gotham City, both victims feel powerless under his dubious power trip.

"Willing to take one in the back?" Miller questions Batgirl, releasing her wrists from the ropes, anxious to get down and explore her curvy body. Turning her cheek to the gruesome sight of his deformed face—Penny wants nothing to do with this foul fucker... that is until she sees his big dick bulging from his dirty trousers.

Now on her knees before her captor, Batgirl opens wide and begins engulfing his tube steak down her neck. Delighting the villain with long swipes of her tongue—Brendon sinks his hands into her long blonde hair and watches her face fill up with protein. "Yeah, don't forget my balls," he shrieks, seeping his set over her tongue as if crafting a delicious cup of English tea. "That's it," he continues, smacking his cock head across her outstretched tongue.

With the action really heating up, Batgirl spins around and mounts the dirty, rotten scoundrel in reverse cowgirl position. Once she rests her back against his chest, we can see which hole she's opted to use first... her asshole! "You're so gross, I can't even look at you," she hisses, still working double duty on his dick—despite the fact that she's physically repulsed by his appearance. "But, you have a great fucking cock," she continues, releasing a splash of ass grease over his lap, as their action heats up.

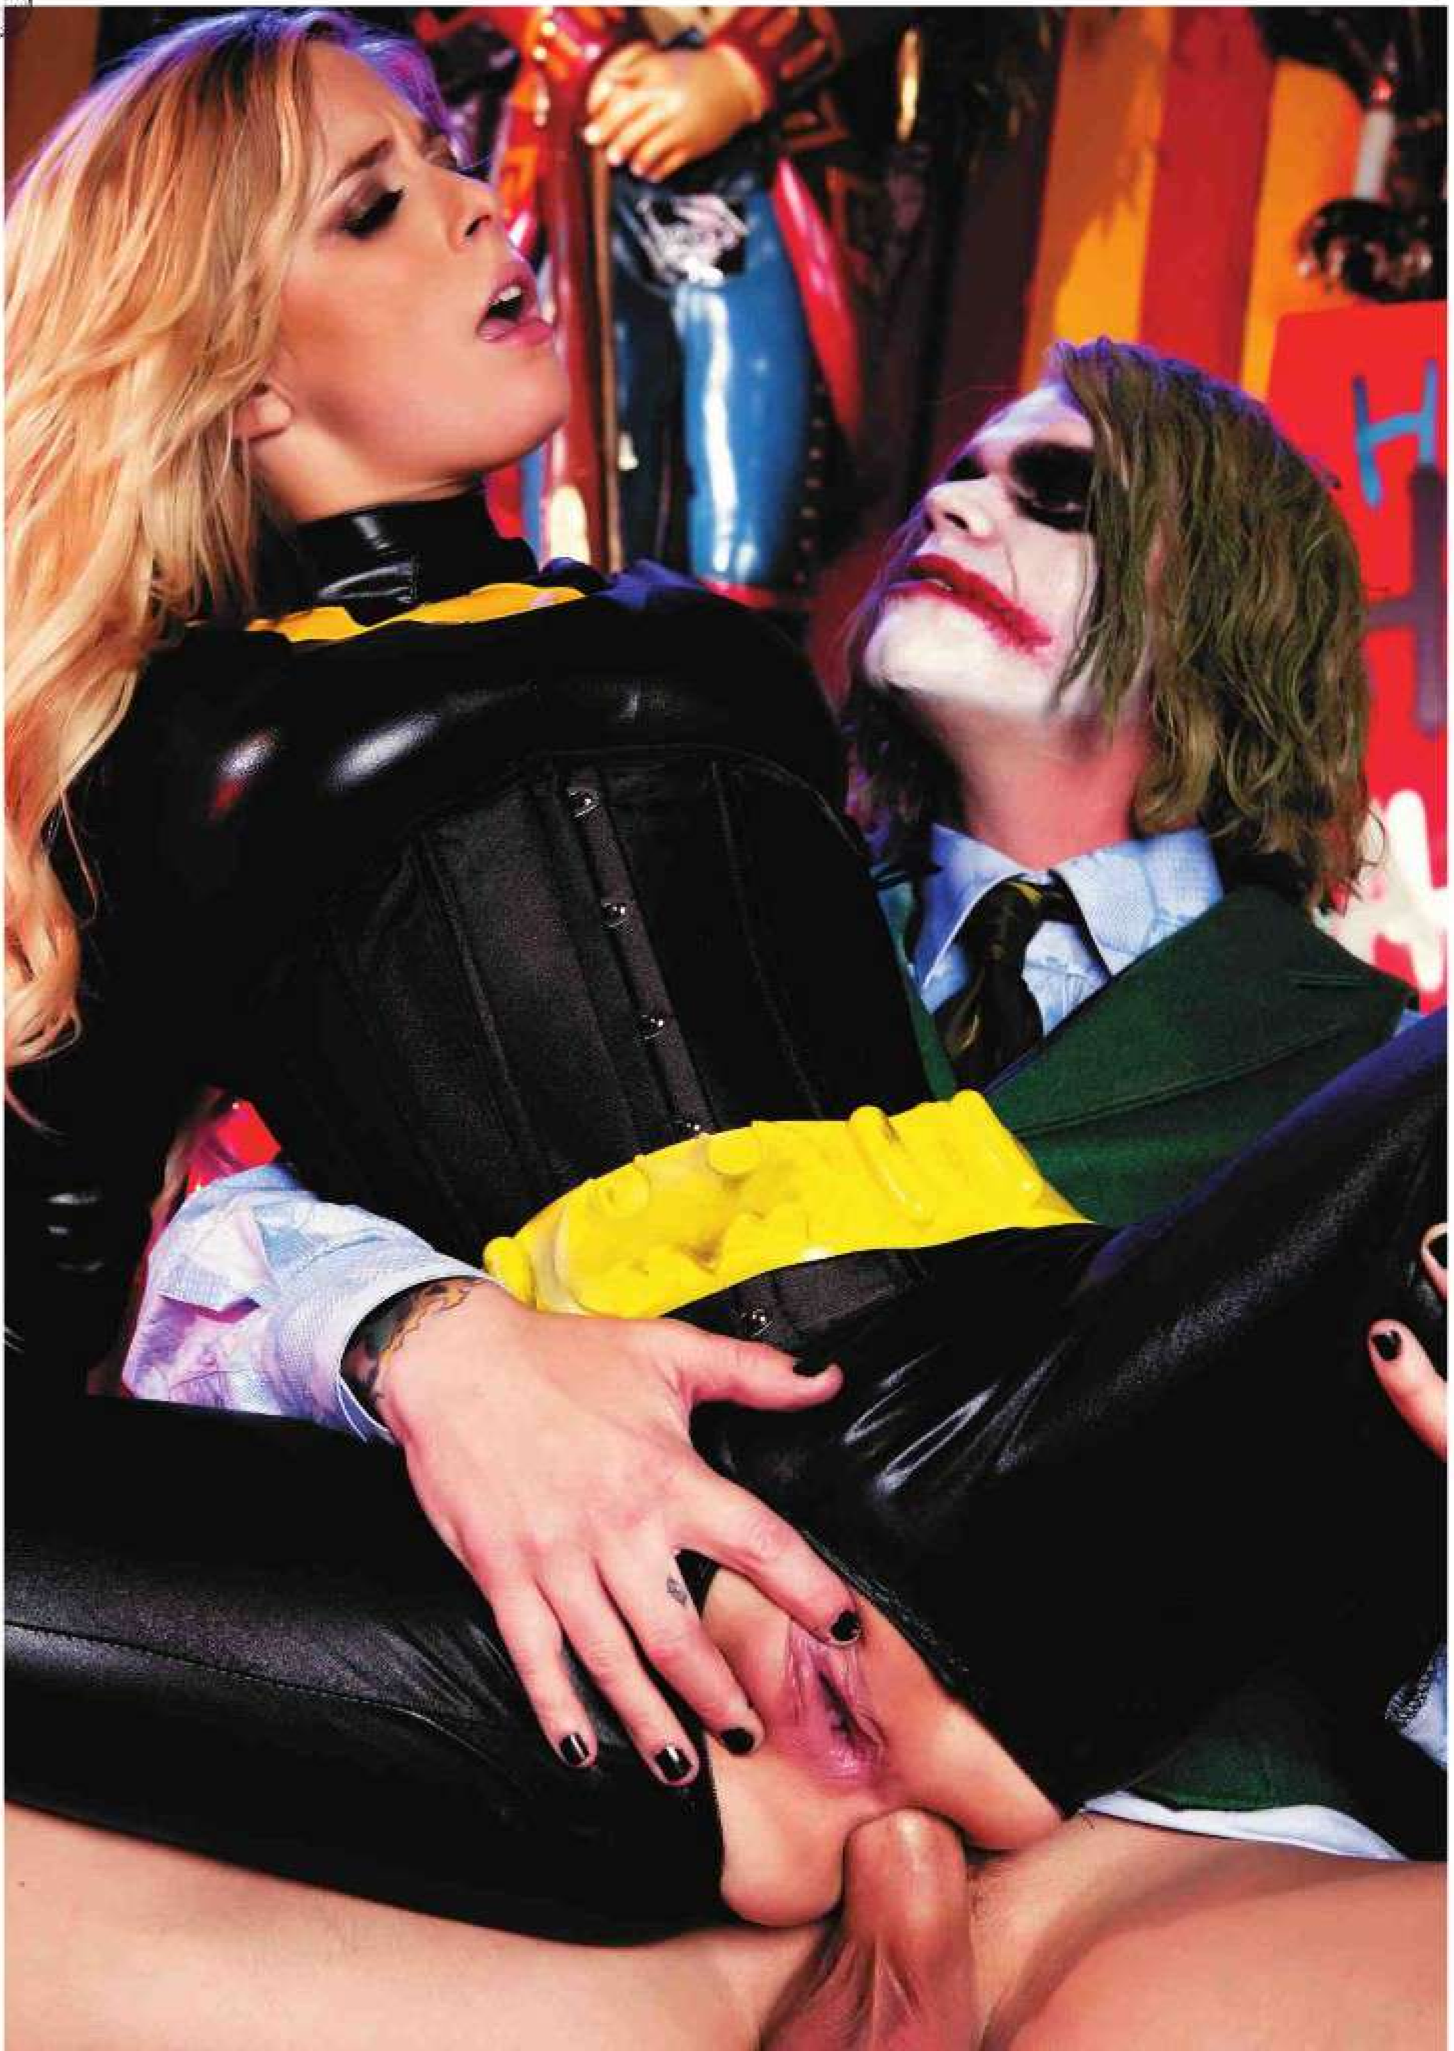
"Right in the old kisser," Miller smirks, later arranging Pax on her back in pile driver position. Holding her up by her yellow boots, Joker dips his anchor into her dugout, treating her asshole to another solid stuffing. "Fuck you!" She screams, this time climaxing so hard down her legs that her black costume looks more like black paint than vinyl. What a way to begin!

Next, while hidden away from the world in his mountain cabin, Bruce Wayne remains plagued and haunted by his past. Perpetually lost in an array of disturbing flashbacks, Wayne seems worse for the wear—and it shows. While sip-

ping his cognac by the fire, Wayne loses himself in a daydream that chronicles a fight between himself and Nightwing (Brian Street Team), after Nightwing is drugged by Poison Ivy (Dani Jensen). After an action-packed fight ensues, Batman leaves just as Poison Ivy strolls inside. “Hey, we have work to do boy wonder,” she purrs, walking circles around the young hero, enticing his crotch with her green nails. Brushing her red hair against his face seems to awaken the sexual stud within.

Scooping her up in his arms, Nightwing kisses his way around Dani’s venomous lips, massaging her pink tongue with his. Entirely aroused by her ultra seductive demeanor and bright red pubes—Street Team is anxious to have Ivy swing on his vine. “Suck my cock!” He spews, demonstrating a more assertive side of his personality. Aroused by his demanding tone, Ivy squats in front of him and unzips his cock from his black and blue superhero costume. Loudly slurping and sucking away, Jensen maintains steady eye contact with the boy wonder—surrendering him to a trancelike state that has him hanging on her every word and moan. Playing with her clit down before, Ivy gets her hands gooey with her natural sap, as she continues servicing Brian’s claw. “You’re good at this,” he later compliments, fervent to experience more of her natural wetlands with his superhero stick.

Mounting Ivy’s right leg over a concrete barrel, Nightwing slams his cock into place in standing doggie position. Really getting into Street Team’s groove, Dani thrusts her chest downward—creating a gorgeous arch in her lower back that seemingly makes Nightwing pump his hips with more gusto. With honey dripping from her hole, Ivy ensures Nightwing’s ride remains slippery, and very wet!



PENNY PAX & BRENDON MILLER!

> “Joker dips his anchor into Penny’s dugout, treating her asshole to a solid stuffing!”

When back to the present time, Bruce Wayne snaps out of his fantasy and is startled to find Catwoman (Aiden Ashley) standing before him, licking her paws with her long tongue. “Gotham is in chaos. Batman has been away for too long,” Ashley purrs, eager to have Giovanni Francisco done the bat suit once again, in the hope that he will want to combat Bane (Derrick Pierce)—a villainous brute who has kidnapped his fiancée, Kathy Kane (Andy San Dimas).

With Bruce in need of some more convincing, Catwoman sprawls out across his leather sofa and is eager to have his bat chase her cat. When she has his undivided attention, she spreads her legs and unzips the crotch of her power suit—showing off her freshly shaved kitty. “Come and get it,” she flirts, watching Bruce dine on her warm pussy milk and lovely pink parts. Really getting a mouthful, Giovanni takes his time devouring this frisky kitty from the inside out. Throwing in a few licks of her candy ass really excites him for the hardcore boning that is to come.

Crawling over to him, Aiden unzips Francisco’s cock from his pants and tickles the hole of his

dick with her tongue. Now intrigued by her unconventional style, Bruce holds Ashley's pretty face in her hands, and watches her work her wet mouth around his cock like an Olympic gymnast pole-vaulting around his sturdy metal bar. With juice spilling from the corners of her lips and his cock completely covered with her warm saliva, Catwoman is giving him her all and Bruce has clearly never had it so good.

"Let me ride the bat," she hisses, leaping on his lap in reverse cowgirl position. With the spikes of her boots piecing the leather sofa below, Catwoman hunkers down and really lays into Bruce's boner. Ascending up and down, Aiden ensures Giovanni's dick reaches the depths of her pussy with every heated hump. With naturally reddened pussy lips, red blotches across her chest and sweat beading across her masked forehead, Catwoman proves that she truly is the cat's meow!

Once again donning the bat suit, Batman reemerges from the darkness, and is brought back into the light, thanks to Catwoman's alternative convincing. Willing to risk it all to save the love of his life, Kathy Kane, Batman is on a personal mission to put an end to the reign of Bane.

Locked in a seedy warehouse we find Andy San Dimas's arms and legs bound with ropes. Traipsing around her is Bane and Catwoman. Knowing that Batman will come for her, Andy waits in silence. Taunted by her evil captures, she's unsure what will happen next.

Both turned on by her juicy hips and puffy lips, Bane and Catwoman decide to split Kathy between them. But first, Derrick demands a double dick session from both raven-haired stunners. Falling to the floor, the ladies devour his cock and balls, giving his set a military spit shine that has him breathing heavy through his leather headgear. "Suck it, bitches," he continues, watching both cock stars dual for his danglers.

From here, Bane rests San Dimas over a container of explosives, and lays into her pussy in missionary position. Loving every bit of his assault, Kathy spews dirty words from her lips and begs him to go harder and deeper. Making herself quite useful, Aiden arranges herself in the quintessential Catwoman pose, sitting atop Kathy's open mouth. Now being worked from top to bottom, Kathy is being dicked while she licks. It's an awesome sight indeed, and once that makes the dedicated director blush. Ending with a surprise twist that we never saw coming, the movie explodes with another monumental fight scene and the possibility of Batman's death.

Crisp and chilling from start to finish, this is porn spoofing at its absolute finest. Absolutely thrilled with the quality of material that was captured, Axel Braun boasts, "It was another massive undertaking, but I honestly believe it's the best thing I've ever shot. [Vivid co-chairman] Steven Hirsch had been asking me to make another Batman-themed movie for a long time, and I kept telling him that I needed to find the right costumes, the right story, the right actors. Well, this is it!" ♣

Keep a lookout on the dripping beads of girl goo on this saucy slut…

"I've always heard that if you keep your fingers on one part of the clit, that all the juices will pour out," Kiera says, stripping away her purple lingerie, while pinching her pert pebble…

"Mmmm…yeah, I think I'm getting close," she continues, feeling the fleshy nub pulse between her fingers. "My fingers are almost as good as a man's tongue, but not as good as this," the bawdy brunette mumbles—thrusting the hulking glass dildo into her mouth—getting it sweet and glossy for her aching pussy.

Plunging it in her pink inch-by-inch—Kiera starts shaking—covering the entire toy with her girl goo—with her moans filling the air.

"Yeah, I think I got it," she says, splaying her petals apart. "Now, I hope that a man can do the same for me." ♣

> **I licked all the way down her body, and when I nibbled at her hood, she grabbed a fistful of my hair—guiding me to her sweet spot…**

I'm well aware that my body is irresistible. My long, lithe legs are just a gateway to my perfectly plumped ass, my tits are perky and quite the handful, and let's not talk about my model looks. This, I know, and no matter how many times I get asked to get naked or pose nude, I freeze up and I can't do it—as much as I'd like to get other people off on my looks alone. A few weeks ago, my friend, Tina, asked if I would be interested in working as a "moving piece of art" for a fundraiser her company was having. When she mentioned it was nude, I started walking away and shaking my head, but when she stopped me and said that it was "full body makeup," I thought it was the perfect step for me to eventually go nude. I would be naked for the artists as they airbrush me, she told me, which I was fine with, as long as I wasn't walking around an expo center with my pink nips exactly that—pink. I arrived at the appearance ever so coolly, but the second I saw the artist that would be working on me, my mind rattled at how I was going to remain standing without my knees wobbling—the girl was hot! I swing both ways, but I was hoping to become a sweaty, Sapphic mess later on that night! She introduced herself as Sam, and had the very hipster, artistic look down pat! Her purple straight leg jeans framed her pert ass just perfectly, and her black tank top curved her C-cups, making me want to reach out and nibble on her pierced nipples that were poking through her shirt. I was still shy getting naked in front of her, just like I would with anybody for the first time, but what was embarrassing me even more was how my pussy juice was streaming down my thighs, causing me to blush. We made small talk, and when I saw the rainbow tattoo on her wrist, I knew I could make my wish come true. My embarrassment soon turned into a bridge that I could use to lure Sam in, so when she took the cool paint and rubbed it on my thigh, I saw her lips quiver as she said, "Um, I don't mean to make you uncomfortable, but your thighs are a little...um, how should I say? Moist? Your best bet is to go in the bathroom and take care of it." With half my body covered like a tiger, I smiled and said, "That's fine," and grabbed her hand—walking into the ladies room. She rubbed up against me while we took a short walk to the bathroom, and when she locked the door

behind us, I knew it was on! I was surprised she took control so fast as she pulled me on top of the sink—spreading my legs apart. Luckily, there was no paint near my pussy, but her fingers were slipping against my moistened golden thighs as she pulled apart my pussy lips. I felt how swollen my clit was, and the moment her warm tongue flicked it, I started to shutter, feeling the impulse of an oncoming orgasm. "You're such a dirty, little whore. I knew it when I was painting you," she said, looking at me with her green eyes. Her dirty talk was spurring me on so much that I came hard on her face—releasing my girl goo down her throat. When I pulled her up for a kiss, I made sure to push her shirt down a bit—craving her dewy pebbles that were peeking through the flimsy top. I flicked her nipples—letting the clanking of the silver lightly bang against my teeth, before I moved her to the sink this time—following her lead. I licked all the way down her body till I got to her full bush that was glossy with her cream, and when I nibbled at her throbbing hood, she grabbed a fistful of my hair—guiding me to her sweet spot. I pistoned my tongue so incredibly fast, and with every hump of her hips, she burst on my flesh flap—while I relished in her delicious nectar. Needless to say, my absence was a problem, so I didn't get paid, but who needs money when I found the greatest fuck of my life? ***Brush Bush—Texas***

GRABBING A LIFT

I'm an avid skier, and when I brought my boyfriend, Jay, who's never once skied in his life, I was a little over-confident about my skills, and thought I would "Show him a thing or two." As it turns out, it was the other way around. Our sex life has always been healthy, but when I mentioned my penchant for public sex, Jay shunned the idea, and it's solely been the bed—or the living room couch—ever since. He's lucky I love him, otherwise I'd leave home, but I will admit that, although we never have sex in public—it's always hot whenever and wherever we have it. I made sure that the bed in our hotel was extra big, knowing full well that we were going to spend some quality time in there after long bouts of skiing, but little did I know that my wish was about to come—and not the sexiest way in the least, either. I was taking Jay on the lift, and once we got to the top, it stopped when it was supposed to go straight like a zip line. I, at first, thought we were waiting for other people, but when I looked ahead and behind us there was no one—only the people on the slopes. We tried calling for help, but to no avail, we were stuck! I was the one that started to panic, and when I looked at Jay, he grabbed my hand and put it on his crotch, which was tenting with a raging hard-on! His pulled open his ski pants, revealing his hard, thick shaft, and the second I put my hand on it, it was getting harder in my hands and warm to the touch. Letting out a gasp with my grip, I started to stroke it until pearls of his pre-cum encased his shaft. Rubbing it all the way down, his gasps turned to heavy breathing. I looked around and noticed throngs of people shooting down the ski slopes while my boyfriend's dick was in my hands. Even though the weather was bitterly cold, I

was so impressed that Jay maintained the biggest boner. We kissed passionately as he played with my nips the best he could with my jacket on, but as I dry humped his thigh—the wetness searing inside was filling up my lacy panties. I kept up my pace as he whispered, "Are you happy that you got what you wanted? I know you're a dirty, little slut, and I have to feed your craving sometimes," he said as his pulsating prick was getting harder in my hands. I felt the cart move a little—which surprised us both—and right when we were really moving around, he let out the loudest yell and spurted his seed down below—meshing his spunk with the snow. That turned out to be a great bridge for us, because when people were trying to learn the winter sport down the bunny trail later that day, Jay and I went towards the back so he could feed my craving. As it turns out, we're both really satisfied. ***Bare Handed Beginner—Colorado***

> **'Are you happy you got what you wanted, you dirty, little slut?' he said as his prick was getting harder in my hands...**

On our way to visiting our friends in Upstate New York, my husband, Drew, noticed that the gas tank was low—so low, in fact, that we ran out and were stuck about five miles from our destination. Naturally, I was mad because I told him to get gas when he knew he was running low, but instead of listening to me, he was paying attention to his raging hard-on that he was aching for me to suck while he was behind the wheel. Don't get me wrong, I'm no prude, and have been known to be a road head master, but I was so mad at my man that I wasn't in the mood whatsoever, so I did what I always do when Drew gets to me—I fantasize fucking a girl—or two—imagine him doing nothing but jerking off while watching us go at it—leaving him to his hand., He knew I was upset with him, too, because I was looking out the window with my hands, and digging into my damp panties—wriggling my fingers around my swollen pebble.

He didn't say much, but he thought it was best we go inside and has a couple of beers while we waited for help with the tire. When we walked in, it was scarce, save for a few booths and tables. My pussy was raring at this point, so I excused myself and walked to the bathroom that was upstairs.

In the stall, I was just about to pull my panties down to relieve myself, so to speak—when I heard two girls moaning in the neighboring stall. Added to the moans were smacks of the lips and sloshing of fingers. I couldn't help myself and tried to keep their rhythm, but the second I thought I was quiet, I heard a tapping on my stall wall. "Come here," said a sweet voice. "It sounds like you're just as freaky as us."

I didn't say a word and just walked over while a svelte, tall blonde had her fingers deep into the bald pussy of a curvy brunette. The blonde looked me over, gave me a sweet kiss and said, "Mmm...I hope your pussy tastes as sweet as your mouth." She pulled my legs over to where she was, and as I lowered my hips down, I felt my pussy juices dripping down to her full lips, before she locked her mouth onto my mound. I humped her face as I watched the brunette's lips purse with each explosion of her orgasm. I couldn't believe that the blonde was such a multitasked, and just as I whimpered for her to "Drink all of me," I heard a slight knock on the dilapidated door, and lo and behold, it was Drew—with his eyes bugged out as he watched me fucking the face of a beautiful blonde.

30007

"Yeah, baby, see what I like? " I said, while he stroked his throbbing, hard cock in front of us.

> **The moment the blonde drudged her finger into my hot hole, I spewed my sweet sauce all down her throat...**

"Have the brunette eat out the blonde now," my husband said, and in seconds, the curvy chick's hips were undulating beneath the blonde who was lashing her tongue against my pulsating pussy. The moment the blonde drudged her finger into my hot hole, I spewed my sweet sauce all down her throat—letting the juices flow over her mouth. My creaming ended up getting the blonde's to initially pour down the brunette's face—until we all had a massive flood all over the ladies room floor.

We washed up, ate dinner, and after the tow truck came, we were eventually on our way. And as far as our trip went—we didn't fight once—just fucked. ***Brew Banging—New Jersey***

30006

It had been weeks since my boyfriend, Jeff, and I had any sex. We're usually animals in the sack, and make time for at least a quickie before work, but since we were both on new schedules, the time for fucking was scarce—therefore, making our attitudes scary.

It got even worse when Jeff said we had to go to his parents house for a family reunion that he forgot about; so that, mixed with the lack of sexual activity was making me want to dust off my vibrator and call it a day. Then, it hit me: My married friend said that she and her husband were going through the same rough patch a while ago, but she found the cure—a good old-fashioned handjob. At first, I thought it was rather juvenile, but thought it might be okay to try—at least on our trip.

On the long car ride there, my pussy was streaming, just thinking of how hot Jeff's cock will look in my hands. His shaft is long and thick, and his head is perfectly capped. It always turned me on to hold and squeeze it, but it was usually before I would drench it with my saliva—or embedded between my tight pussy walls.

At the party, we paid our dues and hung out with the family, but I had trouble walking, just fantasizing about later on that day, when I couldn't take it anymore,

pulled Jeff by the tie and guided him to the spare room with the doors.

Initially, he was hesitant and tried to stop me, but when I kissed him and told him to relax, his raging hard-on was like putty in my hands. I spit on the head and gently rubbed it clockwise with my fingers—making sure that all the pre-cum was creating a snowcap over his mushroom head. His breathing got heavier while I twisted my spit down the shaft until I did the "OK" sign and streamlined up and down the shaft quickly, then slowly, making sure my free hand was cupping and massaging his sac.

Finally, he was starting to get into it while pulling down my shirt and quietly licking my pert pebbles as I humped my soaking snatch on his pants. I knew I was seconds away from staining them, but his cock was the hardest I ever felt in my life, and I'd be damned if I was going to stop now. He tried his best to stay quiet, but when I felt him twitch between my fingers, I knew he was a goner and splashed his seed over his shirt—winking at me to lick up his mess.

As a matter of fact, I did leave a mark, but since then, we haven't been without sex, and I treat him with an old-fashioned at least twice a day. ***Handy Whore—Wisconsin***

Since my husband's college soccer injury, sex is known to come and go. It's great when it happens, but there are times, when we go weeks without it—causing a strain in both our loins. Rocco knew that I was aching to try anal, and Lord knows he was just as up for it as I was, but after putting in the satellite dish, he fell and landed in the hospital. Needless to say, my ass was the last thing on my mind, but luckily, when I saw him, he was in high spirits, and so was his cock.

He told me to close the door as we were lightly petting each other in the empty hospital room, and when my hand got to his middle, I couldn't believe how hard he was.

"Come on, baby, you know how badly you want this cock." I was more than relieved knowing that he was feeling better, but still didn't want to strain his back any worse than it was. I took out his throbbing mast—engulfing it exactly the same

29311

> After my explosion, I felt him twitch deep inside my backdoor crevice, causing him to gush his boy batter deep inside my anal walls…

way I do at home, and as he pushed my yoga pants down, he wedged his finger inside my asshole—making my pussy stream its juices even more than they were when we were at home relaxing.

I let out a moan on his cock which was making him get even wider in my mouth, so when my saliva string was causing a mess on his nightgown, I sat up and faced him—ready to sink my pussy down on his rod.

"No, baby, I need that ass—don't worry, I won't break." He said, relaxing my crinkle even more.

I maneuvered myself to where I sat down on his pulsating prick, and let me tell you, *Club* readers—I never felt so stuffed and satisfied in my life. Rocco's rod is pretty massive, but I was so turned on that I practically slid onto his dick like a glove. We both let out an intense moan, and while I continued gyrating against him, he kneaded my plush hips—massaging and lightly smacking them while my sphincter continually put pressure on his cock. My husband's such a horny guy, that he even pointed his fingers deep inside my pussy—making me gush all over his full sac.

After my explosion, I felt him twitch deep inside my backdoor crevice, causing him to gush his boy batter deep inside my anal walls.

I cleaned everything up and before the doctor checked up on him and soon released him; and I bet you can imagine just what we did when we got home.

ALLISON & PEARL

These Sapphic sluts decide to change it up…

"So, Allison, is it true you never ate box before?" Pearl says, spreading her gal pal's pussy lips apart. "It's really easy, especially the way I've seen you use it before…"

The moment Allison gets on her knees to suckle her friend's burgeoning button, Pearl's screams are heard 'round the neighborhood—as Allison drinks in ever drop of her sweet friend.

"Well, what about you, Pearl?" Allison says, licking a heavy dildo—drenching it deep in her mouth. "It's been forever since you felt a hard cock in you, huh?" Allison says, plunging the slickened toy deep inside her sexy girl's cooch.

Loving the look of a toy deep in her pussy, Pearl starts bucking her hips and uncontrollably releasing her sweet juices.

Licking the rest of her girl goo, Pearl whimpers: "Well, I think we have that 'Something for something' down pat." ♣

DO YOU WANT THE SEX POWER OF A BULL?

Throughout the civilized world daily doses of natural substances called Tocopherol are given to breeding bulls to increase their sexual performance. Meaning quicker repeating erections and more powerful orgasms. This is not just a theory. It has been shown in agricultural laboratory tests that when bulls are given tocopherol on a steady basis they actually impregnate more cows. Tocopherol increases their DESIRE and their ABILITY to copulate. This phenomenon has not been conclusively demonstrated in humans...but if you'd like to WANT IT MORE and DO IT MORE...if you'd like a BIGGER STIFFER ERECTION that goes the distance. Tocopherol may be the answer for you. Tocopherol is completely safe for human human consumption and approved for sale by the Federal Government. Send for a trial supply today. As organically hardcore as they come, don't let the pint-sized frame of April O'Neil fool you. April—an Arizona native and Latina hottie—is a performer who continuously astounds the industry with her Mexican mojo. Taking the porno world by storm with her puppy brown eyes, slender frame, and the most delicious set of ripened cantaloupes one can imagine—Miss O'Neil is breaking records and gathering fans at a feverish pace. Vastly becoming a celebrated porn star-in-training—this rising star is one of the most popular performers on the circuit, coming to life in such projects as: *Men In Uniform Love Big Tits* from Third Degree Films, and LFP Video's, *Teasers: Extreme Public Adventures Vol. 1*. With a very bright porn future ahead of her, this newcummer is happy to spread her wings and fly upwards toward future successes. Comfortable about letting her freak flag fly, April is eager to grant the adult community access into her world of private kinks, including her fantasy of having anti-gravity sex. Thankfully, we've all been invited to watch this Latina lovely soar.

8 Melanie Rios

With girl-next-door good looks and a charming teen spirit, Melanie Rios is the type of dirty debutant that makes good men want to do naughty things. Rightfully earning industry accolades since joining the adult industry in 2009—this Colombian cutie ignites when a camera is pointed in her direction and a hard cock is nearby. Organically erotic, with a natural body that is capped with itty-bitty titties—Miss Rios has what it takes to make her co-stars fall in love with just one gaze from her mocha-colored eyes. The perfect girl to satiate the cravings of young girl aficionados—Melanie has shined in acclaimed teen productions such as *She's So Cute 2* from Digital Sin, Third Degree Films's, *Teens in Tight Jeans*, and *Teens on Cock* by Vince Vouyer Unleashed. Spreading her wings wide and allowing us a look inside—it's a pleasure watching this sweet bird of youth soar to the top of the charts.

7 Yurizan Beltran

Undoubtedly one of the most beautiful Latinas in the jizz biz today, it's difficult to maintain your arousal once Yurizan Beltran enters the room. With long, silky hair that cascades down her back like melted milk chocolate, delicious tits that look as juicy as sun-ripened mangoes, and pouty lips crafted specially for delivering mind-blowing fellatio—this French Canadian/Brazilian seductress is a cut above the rest. A former Hooter's girl and established nude model, the adult world became a much sexier place the moment Beltran decided to perform in front of the camera. An incredibly in-demand actress—both for her stunning good looks and impressive acting ability—watch this lusty Latina shine in *Secretary's Day 5* from Smash Pictures, Diabolic's, *Cock On My Mind 2* and *Pink Lips* from Third Degree Films.

Vicki Chase

There are seldom things quite as breathtaking and jaw dropping than the sexual intensity and lured passion of a Latin woman. Graced with a body shaped like a guitar, and an internal rhythm that causes her hips to sway like the ocean—Vicki Chase is a virtual wonderland of hardcore possibilities. With honey-colored skin that cascades over her bodacious breasts and bubble butt like melted caramel—Vicki is a sweet treat from top to bottom. With raven hair to top off her look—this naughty girl is a steamy seductress whose hardcore melody has left a lasting impression with her legions of fans. Epitomizing Latina flash and smoldering seduction—Chase is one of the most celebrated and requested Hispanic actresses currently in the jizz biz. Demonstrating her secret passions, favorite sexual acts, and insatiable thirst for threesomes—Vicki Chase has exploded in such hits as Pleasure Dynasty's, *Zorro XXX*, *Tango to Romance* from Adam & Eve Pictures, and Digital Playground's, *Escaladies*. Definitely adding more spice to the adult industry's melting pot—Vicki Chase is one hot tamale!

Vicki Chase & Marco Banderas in *Escaladies*

4 Jynx Maze

One of the most sought after Latina porn stars of all time—Jynx Maze is the embodiment of Peruvian perfection. With one of the most celebrated asses in the adult industry, and a deep pussy that has seen the likes of industry heavyweights such as Manuel Ferrara, Tom Byron, and Nacho Vidal—Jynx dominates every scene she participates in. Vastly becoming a fan favorite due to her sexually aggressive style and her unwavering penchant for ass-pounding anal sex—Maze has already been nominated for coveted awards for her sensational sexual acumen, since joining the jizz biz, a few years prior. Christian Mann, a widely respected performer, as well as the general manager for Evil Angel, had this to say about Jynx Maze's sexual spitfire: "Some will tell you it's her no-holes-barred sexual intensity, some will credit her ass, which is so magnificent it should have a name of its own, and all will agree it's the combination of both... and so much more." With a Latin booty so bouncy and bountiful—no *Lusty Latina* list would be complete without Jynx Maze.

5 Bridgette B

A statuesque stunner from Barcelona, Spain—Bridgette B is the epitome of sexual perfection, shining in winning productions such as Adam & Eve Pictures's, *Pretty Tied Up*, Cruel Media's, *U.S. Sluts 3*, and LFP Video's, *El Gordo Y La Flaca*. With long, blonde hair that pours down her back like liquid gold, maracas the size of watermelons, and fuckable holes that have no limits—Bridgette is always open and ready for business. Effortlessly dominating her lovers with insurmountable amounts of passion that is usually reserved for her male co-stars, it's a pleasure watching Miss B explode in every production she commits to wholeheartedly. Especially arousing is the way she wraps her cantaloupe-sized cans around hard cocks, offering them a tittie fucking session they won't soon be forgetting. Hot from top to bottom—Bridgette B perfectly demonstrates the passionate side of lovemaking—wowing her lovers with sweet nothings whispered from her Latin tongue. Winning the "Unsung Starlet of the Year" statue at the 2012 AVN award's ceremony—it's high time that Bridgette B basks in the spotlight she so rightfully deserves.

Ann Marie Rios

An unconventional porn star, Ann Marie Rios, a *Lusty Latina* from Southern California, represents a different type of adult entertainment actress. With an IQ that is just as impressive as her flawless body—Ann Marie would be just as likely to discuss her ravenous blowjob technique as she would be discussing a Shakespearian sonnet. Easily one of the most naturally appealing porn actresses—Rio's looks rival that of a fairytale princess from a land far, far away. With flowing dark hair, honey colored skin, and a smile that could sink a thousand ships—Ann Marie is a welcomed addition to the adult entertainment landscape. Equally as impressive is her entrepreneurial spirit that has helped her design the Ann Marie Signature Juicer—an exclusive sex toy for the manufacturer, Phallix, and allowed her to better connect with her fans via the airwaves with her Sirius XM radio program called, "Las Picantes," which translates to "The Spicy Hour." Always a sweet treat, Miss Rios possesses all the qualities we savor in a Latina lover.

A lusty addition to the Digital Playground lineup, this spicy stunner smolders in every production she takes part in, including award winning projects such as *Escaladies 1 & 2,* and *Sex and Corruption*. Standing out amongst her all-blonde contract sisters, this feisty firecracker is eager to remind us that nothing burns quite as intently as the passionate prowess of a Latina superstar. Easily making her way onto our list, the adult industry will continue to be a much sexier place so long as Selena Rose continues to bloom.

1

Kristina Rose

A bona fide sexual spitfire wrapped in a pint-sized package—there is nothing inconsequential about Kristina Rose. Completely dominating the industry since joining its ranks back in 2007—Rose succeeds in raising the hardcore bar by delivering the most mind blowing, and soulful sex that can be imagined—both in fantasy and in reality. Completely giving everything to her lovers—body, mind and soul—Kristina continually loses herself in erotic passion, gracing her co-stars with the most insanely hot sex of their lives. Shining the brightest in her award-winning scene with Manuel Ferrara in *Kristina Rose is Slutwoman* from Elegant Angel—Kristina showed the world a new level of sexual expression and yearning that hadn't been witnessed to this extreme before. Calling that scene, "The best sex of my life," Miss Rose proved that her star power and longevity in this industry are secured. Naturally blessed with a body built for fucking—Kristina Rose greatly deserves the Number One placement on our *Lusty Latina* list. With bright eyes and a smoldering Latina fire that propels her continually to push her sexual boundaries—the world waits with beating hearts and hard boners to see what sexual surprises Kristina Rose will deliver to us next. ♣

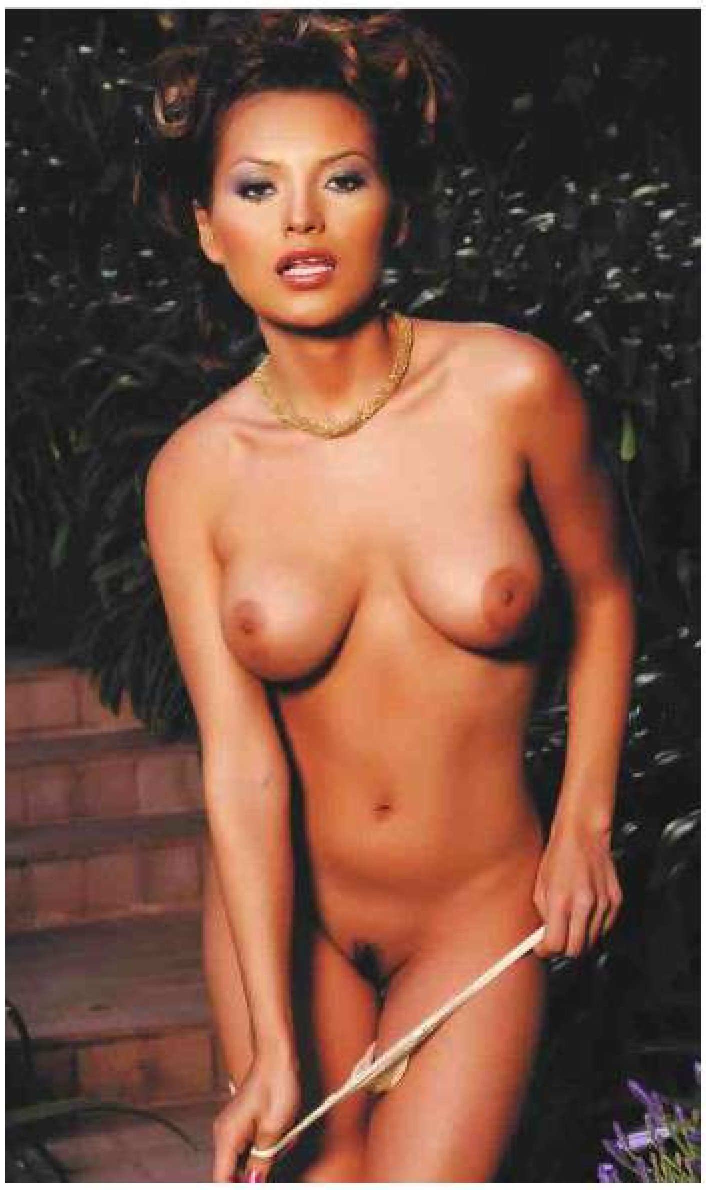
Mari Possa

Mari Possa went as quick as she came. Gaining notoriety on Seymore Butts' Showtime series, "Family Business," becoming an anal lovin' Tushy Girl, and a short stint with an Adam & Eve contract, this gorgeous Latina made a name for herself, then retired. But that was then, and this is now and she's back for more, and we have her!

Interview by
Emma Edwards



EE: How did you get your start in porn?
MP: I started my porn career in 2002. It's been a while—a decade in fact. At first, I started as a receptionist for Seymore Butts and appeared in their reality show, *Family Business*. After two years, I decided I wanted to actually *be* in the movies after being around so many of the porn girls. Porn seemed alluring, interesting, and excited. I decided to take the plunge.

EE: What made you decide to retire in 2006?
MP: At that time, I thought I was done with porn and felt that I may be too old. Instead, I decided to go back to school and reopen that chapter of my life. I didn't want to feel like I had missed out on any opportunities by going into porn.

EE: What did you study in school?
MP: I went to school to become a broadcaster. Now, I have a degree in television and radio broadcasting.

> **“I'm better able to fit a huge cock up my ass than in my pussy...”**

EE: Do you have a broadcasting job on the horizon or radar?
MP: Unfortunately, I do not. Especially right now, there aren't many media jobs available out there.

EE: So now, you're back in porn?
MP: Yes, I started doing adult movies again in May 2012.

EE: Currently, how active are you in porn?
MP: My first appearance back in porn was at the Exxxotica Expo show in Miami. My first official scene was with Marco Rivera—a Cuban hottie that I loved working with. The movie was for Seymore Butts—a company I was contracted to prior to my retirement.

EE: How does it feel to be back in the proverbial saddle again?
MP: Coming back, it feels as though I'm starting for scratch. I'm going slow, and have only shot three scenes. Other times, it feels like I never left. The industry is much

different now, and has really changed a lot. The people are relatively the same, and I've maintained close friendships with many performers.

EE: What is your favorite type of sex?
MP: My favorite type of sex is any sex that is not on camera. It is so much easier, and you don't have to pay any attention to angles, lighting, cameramen, and putting on the right face. I can just enjoy the sex and all of the emotion that go with it.

EE: Which do you prefer in the bedroom: vaginal or anal sex?
MP: I prefer anal sex, because having vaginal sex alone makes the encounter feel unfinished. Even if I have an orgasm, I need the anal pounding to really seal the deal.

EE: Have you always been a fan of anal sex, or was there ever a time when it freaked you out?
MP: Sure, the first time I ever saw a boxcover with a gaping asshole, I thought I was going to lose my mind. I didn't even realize that an asshole could expand like that. So, yes, there was a time when I was naive and didn't have a clue about anal sex.

EE: So then, how did you acclimate yourself?
MP: I started with toys to stretch out my anus. Glass toys are the ones that I prefer, because they are very stiff and really help my butt muscles relax. My fingers never worked—they are too small to be effective.

EE: What do you do to stay in shape?
MP: I'm a runner. I usually go out every morning. I've been an active runner since high school. If I'm feeling lazy, I'll only run a half-mile, though. My goal is to go out and be active everyday. Running keeps my body nice and tight.

EE: How are Latina porn stars different?
MP: Latina porn stars have to fight harder for our fans, because I've found that many Latinos are not into pornography. In many cases, Latino people are very religious and see the adult life as something sinful and outrageous. So, we have to work a little harder to get noticed. We are not blonde with blue eyes and big, fake tits. Most men seem to fantasize about women that look like that. We Latinas are much different—much spicier. Although, it is nice to see that that indus-

try is changing and is more accepting of other cultures.

EE: What do you attribute to this shift away from stereotypical blonde porn stars?
MP: The internet has opened up the floodgates to the world. The porn you create and your image is now global. Porn stars have access to fans from across the world and back. I have fans in Chile, Italy, Venezuela, and so on. There are definitely more flavors to choose from nowadays, which really makes things much more delicious.

EE: Describe your sexuality.
MP: My sexuality is that of a normal Hispanic women. My hormones are always in overdrive. I'm known for being feisty, passionate, and hotheaded. Latinas have a little something extra. We're definitely hotter than most.

EE: Does your tattoo have any significant meaning to you?
MP: People always ask me that, since the tattoo on my butt is of a butterfly. Considering that my stage name is Mari Posa, which translates into 'butterfly,' people often wonder if the tattoo came before or after my decision to be in porn. Truth be told, the tattoo started out as a turtle. In time, that tattoo was covered up and changed into a butterfly. I like that much better. I love butterflies.

> **"To have an orgasm, I need an anal pounding to really seal the deal..."**

EE: What was the most embarrassing porn moment you ever had?
MP: Generally speaking, it's rather difficult to make me embarrassed. I'm very easy going. That said, there was a time when I pulled a toy out of Lauren Phoenix's ass, while she was squatting over my face. You can imagine what happened next. I think it may have been more embarrassing for her, although I was the one down there. Pussy farts aren't the best thing to happen to a girl, either.

EE: Well then, on the flip side, what has been one of your proudest porn moments?

MP: In 2006, Adam & Eve Pictures signed me to a contract deal. In my eyes, I had reached the pinnacle of porn success. Right after that, I decided to retire. It was such a high point in my life that I thought, if I can achieve this, what else am I able to achieve? I wanted to find out the answer to that question. That's when I decided to go back to school. That contract gave me a lot of self-confidence.

EE: Are there any porn performers that you greatly admire?

MP: Yes, I greatly admire Jesse Jane because she's always happy and never has negative things to say about the industry. She's been in porn for a while now, and is always a champion for the adult industry. I also greatly admire Sunny Leone. She's so beautiful and has great business sense. She's made it to the top of the top. I also admire that she's a huge star in India, which is a huge accomplishment considering that that country is sexually oppressed and is very religious. She's bridged a gap between cultures and is a respected figure. Jenna Jameson is the queen of porn and will always be admired, as a result.

EE: What does it take to gain long-term success in the adult industry?

MP: You have to stick with porn in order to be successful in porn. You also need to stay away from drugs, since they are easily available and are all around our industry. Be the bigger person and walk away from that lifestyle. Balancing your party life from your work life is also a must. In a nutshell, you have to *be* an adult to be successful in the adult industry.

EE: Do you have any porn regrets?

MP: No. Everything in life is a learning experience upon which to grow. Really, I can't recall any negative events that happened to me while being in the adult industry.

EE: What is your sexiest physical attribute?

MP: According to me, my sexiest physical attribute are my eyes. I'm very flirtatious with my eyes. Others might say that, my petite body and tiny tush are my sexiest attributes. I'm only 5'2" tall, so I'm a very small woman.

EE: Wow, for being so small, you sure can take a big cock up your ass!

MP: Yes, I've been told that (laughing). Sometimes, I can't imagine how the big cock is even going to fit, but once my muscles stretch out, I'm often surprised. Actually, I think I'm better able to fit a huge cock up my ass than in my pussy. At some point, the cock is going to hit my vaginal wall and stop. My ass extends much deeper. I'm a small girl, and am never dealing with average sized dicks.

EE: True, porn stars are not dealing with average sized cocks.

MP: No, we are not! My girlfriends and I were just discussing that. They asked me if the porn penises are really that big. My answer was 'Yes.' Literally, I can't remember the last time I saw a regular sized penis. For me, porn sized cocks are regular. Isn't the average size of an erect penis 5 inches? If I saw that I might say, "Where is the rest of it?"

EE: Are you a bisexual person on camera and off of it?

MP: It's hard to say, because I do enjoy girls and enjoy being with them sexually—on and off camera, but I could never see myself in a relationship with a woman.

EE: When you masturbate at home, what types of things do you think about?

MP: Since I love muscular men, I fantasize about men with muscles. I imagine touching and holding their hard muscles. I like that visual a lot. I also enjoy fantasizing about ladies with long legs. Supermodel Gisele Bundchen often makes her way into my masturbation fantasies.

EE: What do you use to masturbate with?

MP: Lots and lots of toys. I just love playing with toys. Fingers are not enough for me. I probably start with my fingers, but after a few moments, I need more.

EE: Do you enjoy including food into your sexual play?

MP: No, food gets too sticky. I don't even enjoy playing with the flavored lubrications for that same reason. I just don't want sticky things near my pussy. I would be inclined to use vegetables though, like carrots and cucumbers. That might be fun.

EE: Is there anything else we should know about you?

MP: Yes, I have a fantasy to share that I've never told anyone. I want to eat an apple out of a girl's asshole. I have no idea where that thought came from. Maybe if I tell the right person, they could turn that fantasy into a reality.

EE: What projects are you currently working on these days?

MP: The last scene I shot was for Seymore Butts. That was fun to do. There is also a book called *Dirty Talk* by Chris Watson that is all about conversations with porn stars. I'm on the cover of that book, which is awesome! I'm also putting my dance routine together. I've never feature danced before, so I'm very excited.

EE: What is your show going to be like?

MP: I want to do a sexy, burlesque version of the Pussy Cat Dolls. I want my tour to be called 'The Pussy Cat Tour.' I love dancing, and am good with choreography. I can't wait to begin and put my routines and costumes together. It's going to be a good time, you'll see! ♣

DENISA & CHARLES

Denisa's rebellious ways gets the best of her pussy…

32013

On her knees, Denisa's mouth is wrapped around choky's throbbing rod, and the girl has never felt more alive in her life…

"Everyone thinks I'm such a good girl," she says, licking the pre-cum from her older man's prick. "But, I'm such a dirty whore, I just can't help myself." Sitting on top of Choky's massive mast, her pebble grows to an astonishing size, and in seconds, she bursts—creaming her girl goo all over his rod.

Riding him faster—even with an orgasmic daze, Denisa feels Choky's prick pulsating, and in seconds her shoots his load deep inside her canal—letting it stream out of her spent snatch.

"Mmm…a good girl no more," Denisa mumbles before licking up her man's remnants. ♣
